PSA V02 ULTRALIGHT - RED BUMPER / BLACK TPU

A_minimum

Added mass nominal 23.55 g; OEM 6..12g gives 21.55..27.55 g

With 50g slab 73.55 g; with phone 297.55 g

Folded 22.70 mm / open 38.70 mm (phone excluded)

30g target requires OEM popup <= 14.45 g; physical validation NOT RUN

B_daily

Added mass nominal 30.20 g; OEM 6..12g gives 28.20..34.20 g

With 50g slab 80.20 g; with phone 304.20 g

Folded 23.30 mm / open 39.30 mm (phone excluded)

30g target requires OEM popup <= 7.80 g; physical validation NOT RUN

C_protective

Added mass nominal 37.91 g; OEM 6..12g gives 35.91..41.91 g

With 50g slab 87.91 g; with phone 311.91 g

Folded 25.90 mm / open 41.90 mm (phone excluded)

30g target requires OEM popup <= 0.09 g; physical validation NOT RUN

B: daily-use DEVELOPMENT CANDIDATE, not a verified safe product.

A: lighter but insufficient unreinforced rib stiffness/strength concern.

C: protective concept exceeds 30g mass target.

Mass from CAD volume x assumed density plus purchased-part/consumable assumptions.

Actual OEM popup, slab dimensions, adhesive and magnet holding performance UNVERIFIED.

See comparison_ko.md / validation_report_ko.md for tests, margins and limitations.
